Amended Order

PLAINTIFFS' MOTION TO CONTINUE
 CASE MANAGEMENT DEADLINES
 PENDING TRANSFER

21 Pursuant to Civil L. R. 7-11 and 7-12, Plaintiffs respectfully move the Court for an Order
 22 extending time as set forth in the Order of October 27, 2008 (Document 12) for the following
 23 good cause:

24 On October 27, 2008, this Court issued an Order (Document 12) granting the Joint
 25 Stipulation and Motion of the parties (Document 11) seeking to continue the case management
 26 deadlines pending action by the Judicial Panel on Multidistrict Litigation ("JPML") to transfer
 27 this action to the United States District Court for the Eastern District of Pennsylvania for
 28 consolidated pretrial matters as part of Asbestos Multi-District Litigation (MDL #875).

On or about October 20, 2008, Defendants NEWPORT NEWS SHIPBUILDING AND
 DRY DOCK COMPANY, and NORTHROP GRUMMAN SHIP SYSTEMS, INC. provided

1 notice of this action to the JPML and sought transfer of the case into the MDL.

2 Despite this notice to the JPML, the Clerk of the Panel has yet to issue its Conditional
3 Transfer Order.

4 On December 11, 2008, staff for Plaintiffs' counsel contacted the Clerk of the Panel and
5 was informed that they were in receipt of Defendants notice to tag-along into the MDL but that a
6 Conditional Transfer Order was still pending.

7 On December 22, 2008, staff for Plaintiffs' counsel contacted the Clerk of the Panel and
8 was informed that they a Conditional Transfer Order on this case was expected to be issued
9 either the week of December 22, 2008 or the week of December 29, 2008, but that it could not
10 yet be confirmed.

11 From the experience in other cases before the JPML, it is the practice of the Clerk of the
12 Panel to issue a Conditional Transfer Order ("CTO") that, by its operation, becomes effective
13 upon receipt by the Clerk of the United States District Court for the Eastern District of
14 Pennsylvania. However, it is also the practice of the Clerk of the Panel to put into the Order the
15 "condition" that the mailing of the Order to Pennsylvania be held off for 15 days to allow time
16 for objection by any party. When such time has expired, the condition having been satisfied, the
17 Clerk of the Panel sends the Order to the Clerk of the Pennsylvania Court, whereupon, by
18 operation of the CTO, jurisdiction transfers.

19 Plaintiffs expect that deadlines set forth in the Order of October 27, 2008 will come to
20 pass before the JPML's order is operative. As the parties agreed in their stipulation that sought
21 the October 27, 2008 Order, a further continuance of this action (or a stay) would allow the
22 transfer to take place, and allow pretrial matters to be handled by the United States District Court
23 for the Eastern District of Pennsylvania. Granting this motion would promote judicial
24 efficiency, allow consistency in pretrial rulings, and be most convenient to the parties.

For these reasons plaintiff respectfully request the Court VACATE its Order of October 27, 2008 issue an Order STAYING this action pending the outcome of the MDL Panel's decision on the merits of the transfer. In the alternative, plaintiffs respectfully request that this Court continue the Case Management Deadlines to allow time for the JPML to act as expected.
